20 Ltr

21 Ltr

High value features

Corrosion resistant

Dent-free

Lightweight

Robust wall thickness, dependable high stacking

Air tight, leak-proof design

Tear-away strip to prohibit tampering

Metal or plastic handle

Durability in hot weather conditions

Multi-color, state-of-the-art labeling

Recyclable, eco-friendly

Applications

Our plastic pails have multiple uses including paint, chemicals, lubricants, fertilizers, industrial materials and various food products.

Commitment to quality

Rowad National Plastics, an affiliate of Tasnee, is one of the leading plastic manufacturers in the field of specialized engineering plastic conversion. Over the last 20 years, we have forged a reputation by establishing an unwavering commitment to quality, flexibility and reliability in all of our products and services. We accomplish this by adopting best practices and working to the highest international standards.

Local production, global availability

Rowad pails are produced at our factory in Second Industrial City, Riyadh, Saudi Arabia. Local production capability enables us to reliably serve our customers in KSA and throughout the region.

Tolerances

Volume: +/-5.0%
Dimensions: +/-1.0mm
